Breccia Capraia

Breccia Capraia

Inspired by the Italian Breccia Capraia marble from the Apuan Alps in Tuscany, this series offers a white background interlaced with distinctive veins, displaying shades from pink cyclamen to deep purple, and hints of gold, gray, green, and blue. Advanced technology allows porcelain tiles to mimic marble's intricate colors, veins, and textures with enhanced durability. This collection unites beauty and innovation, ensuring each project stands out with its own signature style.
