Amazonite

Designed to create atmospheres reminiscent of exotic landscapes, Amazonite is a versatile collection, designed to decorate any room in the home. While in living rooms and kitchens it takes absolute prominence, these marble effect tiles are capable of transforming bathrooms and elevating the room to another dimension. In this sense, in addition to the pieces in green, the series also proposes a calmer version in grey, called Amazonite Pearl. This variation is designed for those who shy away from superfluous details and seek to create a project with an elegant interior design.

Amazonite Pearl 35.4"x35.4"

Amazonite 35.4"x35.4" & Amazonite Pearl Satin 35.4"x35.4"
